After viewing the information above, if you would like to commit to the team and ST7 Volleyball for the 2023 - 2024 Club Season, there are a few steps to complete in order to secure your spot on the team and commit to the season.

Commitment and First Payment

Step One: Read the Parent/Athlete Handbook in its entirety. It is vital that you read and decide if you are comfortable committing to the policies found within. To view the handbook: [Click Here](#)

Step Two: Once you have completed reading the handbook and you have decided that you are comfortable committing to the season, you will need to electronically sign the Statement of Commitment by 9:00 pm on Wednesday, 8.30.23. Your signed Statement of Commitment will serve as your acknowledgment that you have read through the entire handbook and are agreeing to abide by the rules and policies found within. If you have any questions about what is found in the handbook, please reach out to us immediately. Please note that if you choose to sign the Statement of Commitment without reading it in its entirety, this will not excuse any consequences for violations of the policies found within. We will have a mandatory parent/athlete/coach meeting at the beginning of the season. The date and time for the meeting will be announced later. To sign the Statement of Commitment: [Click Here](#)

Step Three: If you are committing to the season your signature on the Statement of Commitment will act as your notification to ST7. *If you have decided to not commit to the season, please email us at st7volleyball@gmail.com to let us know.

Step Four: In order to accept an athlete's commitment the first payment of \$500, must be paid by Thursday, 8.31.23. This commitment payment will cover the cost of the athlete's uniform package. An electronic Quickbooks invoice will be sent by email once the letter of commitment is signed. Payment may be made by bank transfer or credit card. *Please note, if using a credit card there is a service fee of \$16 for this payment.

Step Five: On Friday, September 1st, ST7 will publish the list of committed athletes. A committed athlete is defined as an athlete who has completed signing their letter of commitment by August 30th and paid their commitment fee by August 31st. Once committed, athletes will need to attend a uniform sizing, provide further documents, and join AAU and USAV. Further details for these steps will be provided.

Step Six: Committed athletes will need to attend a uniform fitting so that we can order their uniform. We have the following dates available for uniform fitting: Friday, September 1st from 6:30 pm - 8:30 pm and Monday, September 4th from 6:30 pm - 7:30 pm at Faith Lutheran Church and School. ****Please note due to the storm, these dates changed from our originally posted information.**

Step Seven: Upon commitment, athletes will need to complete more documents and obtain the appropriate memberships for their team. We will provide a list of documents and memberships necessary for each team and athlete at a later date. AAU memberships are approximately \$14 and USAV memberships are approximately \$55. **Please do not purchase your memberships yet.** We will notify you by email when you should purchase your memberships.
