* If at any time the set payment schedule cannot be followed please contact our Administrator and we will be happy to work out a new payment schedule with you.
 * USAV Nationals (if team qualifies). The USAV Nationals is not included in the club fees. If a team qualifies it will be up to the team and its members to decide whether to accept the bid and incur additional fees related to this tournament.
 * General guideline for our club packages. We have four packages that would be determined by age, skill level, and positions. So please look in between the range of \$1,700 and \$3,000. Final package/team decisions will be made based upon tryouts and communicated with athletes and parents prior commitment deadline.
